# NO END-BAR MILITARY STYLE COTS FROM PRECISE

Easy Set-Up  
and  
Take Down

500 LB  
Capacity

Our patented design eliminates the use of end bars along with the hassle that comes with setting up any military style cot. Each end of the cot's fabric bed has sewn on web straps that loop over the side rails. A foot pedal activates the tension bar installed at both ends of the cot and serves to keep the cot stable and taught. Our cot features a powder coated steel frame, 600 denier polyester fabric bed with reinforced stitching. Other features include a 15" zipper storage pocket and 500 lbs weight capacity!

# **SPECIAL NEEDS/ ACCESSIBLE COT**

**FEMA & ADA Approved**

Precise has reengineered this special needs cot to comply with the new FEMA/ADA guidelines for accommodating individuals with special needs when they arrive at the emergency shelter. We have kept

our proven design that has worked so well for us in shelter operations since we introduced this cot in 2008. We have simply increased the overall size and modified some of its features which make our cot comfortable, compliant and very economical.
